Despite a heated hockey rivalry, Boston University student Jenn Wei (25 and in academic affairs) and Boston College student John DeSisto (28 and an attorney) fell for each other when they met at a bar near Fenway Park. For the proposal, which came five years later, the two were back in Boston. It was New Year's Eve, and they were at Top of the Hub at the Prudential Center. When Jenn wasn't looking, John put an engagement ring next to a truffle in a box of chocolates. John asked her if she wanted a chocolate, but she took one without seeing the ring! When she went back for a second serving, John pointed out the bling. The two were engaged for just eight months before their pink-and-green garden wedding in the city they would soon call home. —MB
